Foreword

In presenting you with this annual, we sincerely hope that we are giving you a record of your fondest memories of the year 1959 at Mount Pleasant High School.

Our high school years are very happy years, but they are also very important. It is in high school that we build the foundation for our future. This foundation goes through a four-year process of development and improvement. We are very fortunate to have such a modern, well-equipped school as a plant for these changes to take place. Our principal keeps this factory running smoothly and efficiently while our teachers are always ready to guide and teach us. But we must bear in mind that it is we, ourselves, and not our instructors, who are responsible for the finished product. We are the builders who must decide on the quality and the quantity of the materials we shall use. Our classes, sports program, and organizations are the sources of these materials.

As you turn through the pages of this book, evaluate the laying of YOUR foundation.

Mt. Pleasant High School first opened its doors on November 15, 1926. It consisted of sixteen classrooms and an auditorium. There were six teachers and one hundred and thirty-eight pupils were enrolled. The second year there were thirteen teachers and four hundred and sixty-three students enrolled.

Since that time Mt. Pleasant School has had many building and instructional improvements.

Home Economics became a part of the curriculum in 1929 and the Vocational Agriculture Department was organized in 1933.

During the years 1934-1935 ten rooms were added to the west end of the north wing. A wooden building to house the cafeteria was built in 1942.

In the school year 1943-1944, the twelfth grade was added.

The Bible Department was added in 1945 while the band and the public school music course were added in 1949.

Pleasant High School . . .

One of the most modern vocational buildings in the South, housing the Home Economics, Commercial, and Agricultural Departments was completed in 1952. These buildings in addition to the Moye Memorial Cafeteria, were completed at a cost of approximately \$116,000. The modern brick cafeteria now serves approximately 1,000 students daily.

In December of 1954, our school was accredited by The Southern Association of College and Secondary Schools.

The Guidance Program, which was an outgrowth of the Kellogg Project, was added to our curriculum in 1954.

The latest additions to our school, which are a new High School Department including twelve classrooms, a physical educational plant with showers, lockers, and rest rooms, an adequate first-aid-room, and an up-to-date principal's office, were completed in 1957 at a cost of \$303,000.

The present enrollment is approximately 1,300 students with 43 teachers.

In Our Classes

*we receive the two most important materials for our
foundation--knowledge and experience.*

Seniors

To be a senior means many things--trip to Washington, D. C. . . . measuring for caps and gowns . . . deciding to go to college and where . . . first in lunch line . . . so many things to do . . . so many places to go. Yes, the year is a busy one filled with happy and meaningful moments--precious jewels to be locked in our Chest of Golden Memories. The days, weeks, and months rush by. Graduation Day is here! At last, with our diploma held firmly in our hand, we are ready to meet the challenges of the future.

Class Officers

The seniors chose the following as their leaders: Don Burris, Treasurer; Judy McDonald, Secretary; Robert Gandy, Vice-President; Mitchel Simpson, President.

Mr. Senior

Richard Donald Burris

Don has been chosen for this title by the faculty because he best represents the typical, well-rounded teenager. Don is active in football, basketball, baseball, and holds offices in several organizations. In addition to his numerous activities, he maintains good grades and is attractive in appearance. His friendly and easy-going manner cause him to be liked by students and teachers alike. "Mr. Senior" is being introduced for the first time this year for the purpose of giving some Senior boy recognition in much the same way that "Miss Hi Miss" gives recognition to some Senior girl.

Miss Hi Miss

Joyce Elaine Eudy

Joyce is an "A" student and has been a marshal; she holds offices in several local and county organizations; her neat and attractive appearance, fine character, and ready smile win her many friends. For these reasons she has been chosen to hold the cherished title of "Miss Hi Miss." The JOHNSONIAN of Winthrop College, Rock Hill, South Carolina, sponsors this selection in the schools of North and South Carolina each year. Our representative is chosen from the Senior girls by the faculty.

American History Award

This award was presented to Miss Ethelyn Smith because of her deep interest and outstanding work in American History. This award is presented each year by the Woodmen of the World of Cabarrus County.

Citizenship Award

We, the senior class of 1959, wish to express our congratulations to Miss Barbara Jo Brawley, winner of the Citizenship Award of 1958. In choosing the "Best Citizen," the faculty takes into account achievements, high morals, leadership ability, character, and appearance in the eyes of other students. This award is presented annually by the Mt. Pleasant Lions Club and is the highest honor awarded at our school.

We, the seniors, wish to pay tribute to . . .

... Mrs. Betty Cauble because of her willingness to give her time and understanding to students, not only during school hours but after, as well.

... Mr. Ralph Platte because of his deep concern over every student with problems, and his ability to inspire all who know him.

... Reverend Ray Trexler because of his devoted interest in our school and students, and, as chaplain of the football team, for keeping up their spirit and morale.

Juniors

At last we were really Juniors. We had an exciting year ahead of us, and we started the ball rolling by electing our officers. Our first big undertaking was to sell magazine subscriptions during the month of October. To promote sales, prizes were promised to the top salesmen, who were Gwynn Lowder, Sue Boger, and Nancy Peninger. We used most of our profit of eighteen-hundred dollars to sponsor the most exciting event of all, the Annual Junior-Senior Banquet.

We ordered our class rings early in the fall and eagerly awaited their delivery date. Finally they arrived! What pride and excitement each person felt as he slipped that cherished symbol on for the first time.

As this year draws to a close we suddenly realize that we are rapidly nearing the top of the ladder and the time that we will be Seniors.

Bruce Barnhardt won first place in the State Tractor Operators Contest of 1958 and he placed sixth in the Southern States Regional Contest.

Sophomores

Class of 1961

Isn't it funny how sophomores seem to feel much more grown up just because they are not Freshmen anymore? The name sophomore has a good sounding ring! But beneath the joys of being one more year closer to graduation, there are new trials to be met! There is Julius Caesar and Silas Marner to be reckoned with, along with the plants and animals too! But with hard work and determination, sophomores come through!

All in all, it's a great year! The young men and women of this year's Sophomore Class will cherish it always; the work, the joys, the dates, the fun--all will be remembered with memories that will never be wiped away! A year in our lives that can never be replaced--each individual will find in his heart, what it is to be a sophomore!

Freshmen

Class of 1962

August 26, 1958, was an especially exciting day for us because it was our first day of high school. We all felt really big as we assembled with the "old timers" of high school for the first time. However, we soon found out that it wasn't as easy as it looked. The making out of schedules seemed more like a get-where-you-can-while-you-can affair. We didn't know where our classes were, and if we were lucky enough to find out, we had to conquer the masses in the hall to get there.

One of the most provoking fates of the freshman is his position in the lunch line. He has to stand and watch the seniors happily stuffing themselves as he waits for the two hundred people ahead of him to go through.

The freshman advisors became extremely concerned about the miserable life of the freshmen so they decided to throw a big party and went all-out to make sure we had a good time.

We hope we've gotten off to a good start because we've got a long, hard pull before Graduation Day, 1962.

Band

We are extremely proud of our Mt. Pleasant High School Band. This year the band consists of fifty-five members: thirty-four playing members, seventeen letter girls, and three majorettes. A. L. Barringer has been drum major for the past two years, and Larry Rimer was chosen as his assistant this year. The band officers are Captain, Myron Hatley; First Lieutenant, Sonny Cook, Larry Rimer; Second Lieutenant, Gwynn Lowder, and Ted Ritchie. Tate Nabors is the Tiger Band's Mascot.

This football season was full of action for the band since it participated in all of the home games and in two out-of-town games. The marching season is rewarding for the members, but it consists of a great deal of practice and work. Spectators often take this for granted as they observe a football game. The band participated in the Albemarle, Concord, and Norwood Christmas Parades this year. They spent the remainder of the school year learning new music and participating in concerts.

Our Director

Henry L. Forrest, Jr. has been with our band for the past five years. His leadership and personality have inspired our band to become one of the best.

Tigers Have

The Tigers definitely started this grid season off on the right foot with a 38-6 triumph over Rockwell. Lannie Harwood really stepped into the spotlight by scoring three of the touchdowns.

A crushing victory over the Cleveland Eagles gave the Tigers their second Granite Belt Conference win.

The Mount Pleasant eleven gave their next victim, Troy, a generous sample of their excellent offensive which resulted in a 47-13 victory for the Tigers.

The "so-called" biggest test of the season for the Tigers was to be their tilt with Granite Quarry. However, this game turned out to be no test at all because the Tigers held the high number in the 20-0 score.

At this point in the season, Lannie Harwood, with nine touchdowns, was the top scorer in the county.

The Winecoff Blue Devils had high hopes of snagging the Tigers' winning streak... and they did it! The Devils held Mt. Pleasant at a standstill for a 13-0 victory and the Tigers' first loss of the season.

In the next game, Lannie Harwood led the Tigers back into the winning orbit by scoring two of the four touchdowns which gave the Tigers a 19 point margin over Troutman.

The Tigers were completely stunned when the Hart-

sell Bulldogs whipped them 19-7. This game gave Hartsell a lead in the GBC race.

The rampaging Tigers upset Norwood with the help of four touchdowns by halfback Don Burris. This quick recovery gave Mt. Pleasant a 5-1 Conference record.

At the annual Homecoming game Mt. Pleasant completely outclassed Badin with a 43-0 score.

In their final game of the season, the Tigers romped to a 60-0 win over Lowell. Lannie Harwood and Donald Fisher each scored three touchdowns.

The last Tiger victory tied them with Hartsell and Granite Quarry, each with a 6-1 record, for the Granite Belt Conference title. Granite Quarry was chosen to represent the GBC in the State Class A playoffs by a vote of the members of the Conference.

At the end of the season, Lannie Harwood held the highest scoring record for one year ever achieved at Mt. Pleasant. He had made 16 touchdowns and a total of 100 points. The previous high was 9 touchdowns made by Larry Cauble last year. Don Burris with 66 points and Don Fisher with 65 points also broke the previous scoring record.

During the year the Tigers scored a total of 315 point compared to 76 for their opponents.

Robert Weaver presents Mt. Pleasant Tigers Granite Belt Conference Championship Award. Receiving the award are Co-captains Don Burris and Don Fisher.

MT. PLEASANT TIGERS RECEIVE CONFERENCE
CHAMPIONSHIP AWARD AT ANNUAL FOOTBALL
BANQUET

The annual football banquet, held January 23, was presented by the Boosters Club. Henry Forrest served as toastmaster. The guest speaker was Jim Tatum, head coach at the University of North Carolina.

The Tigers tied with Granite Quarry and Hartsell for the Granite Belt Conference championship. Co-captains Don Burris and Don Fisher accepted the Championship Award from Robert Weaver.

Donald Fisher was presented the Concord Tribune's annual Cabarrus County Most Valuable Player Award by Earl Kelly, of the Tribune. Bill Kiser, also from the Tribune, presented Mr. Adams a replica of Don's trophy to be kept in the school trophy case.

Other awards were presented by Coach Charles Harrill. The receivers were: Perk Morris, Sportsmanship; Lannie Harwood, Most Improved; Don Fisher, Most Valuable; Charles Aldridge, Best Defensive; and Don Burris, Best All-Around.

Larry Fisher presented Mr. P. D. Fisher with a Trainer's Award.

DON FISHER WINS TRIBUNE'S ANNUAL GRID AWARD

Don Fisher, who did almost everything except blow up the ball before the game for the Mt. Pleasant Tigers this year, was selected to receive the Concord Tribune's annual Cabarrus County Most Valuable Player Award.

Don was chosen by a secret panel of judges over a number of other nominees from Winecoff, Concord, Hartsell, Brown High of Kannapolis and Mt. Pleasant.

The Tribune awarded two handsome trophies—one to Don and one to the school—at the annual football banquet held January 23.

Donald Fisher receives Tribune award.
